What Can You Achieve With The Food That Powers You?

Whether it's hope or aspiration, nothing fuels success like starting with a good meal. We transform wasted food into brand new meals that will fuel tomorrow. We transform hungry stomachs into hungry minds, ready for knowledge. And through your contributions to our mission, we can transform food insecurity in our communities into well-fed bodies and minds!

**This sponsorship provides 2,160
meals throughout the school year**

- Logo/Name on Website
- 2 Social Media Mentions
- 2 Hole Sponsor Signs at our Golf Outing

What is the 68-hour hunger gap?

68 hours is how long a child may go WITHOUT FOOD over the weekend!

Kids at risk of hunger are less equipped to reach their full potential. They need nutritious meals so they can grow and focus on learning, instead of thinking about how hungry they are. With your sponsorship, we can fill the 68-hour hunger gap and build better futures for our children.

With your partnership, we can help food insecure children reach their full potential
